

How To Report Hazardous Trees Near Power Lines

For Baldwin Electric Membership Cooperative

The telephone number to report a hazardous tree that is within 10 feet of an EMC power line is 968-7585.

You can also go online to report a hazardous tree by:

1. Go to www.baldwinemc.com
2. Put in “trees” in the search site and click “Go”
3. Then click on “Report tree limbs on power lines”. This works for trees as well as limbs.
4. Click on “Online form” that is included in the narrative. Have your account number available.
