

TELECOMMUNICATIONS COMMITTEE MEETING
Notes from Meeting

January 14, 2008

I. Call to Order

Al Bradley called the meeting to order at 4:10 pm.

II. Roll Call

Due to the late arrival of Holly Hansen and the group that visited MediaCom, no quorum was present.

Holly showed the members present her introductory presentation to the focus groups that would take place over the next two days. She also received input from those members about their views on MediaCom and the needs of the community.
